CABF SCWG GitHub Procedure

F2F Meeting 61 – New Delhi, India

Procedure

- Bug triage rotations
  - To ping automatically every bug twice a year (every 6 months)
    - If updated → no action
    - If not → Look at the bug and decide
      - Close
      - Assign new priority
  - Assign reviewers
    - Ask the issue creator
      - Still valid? → update
      - If not action/response in certain time → close issue
- Bug bankruptcy
  - Automated comment
    - This bug has not been touched in 3 years so it´s probably not relevant. If you don´t update in the next 2 weeks it will be closed
